SUPPLEMENTAL RESPONSE TO OFFICE ACTION MAILED MAY 28, 2003

Sir:

In supplemental response to the Office Action mailed in the present Application on May 28, 2003, Applicant submits the following amendments to the same:

AMENDMENT OF THE CLAIMS:

Please amend Claims 1, 4, 20, 29, 31 and 50 as follows:

- 1. (currently amended) A bar code symbol reading device comprising:
- (1) a hand-supportable housing having a light transmission aperture through which visible light can exit and enter said hand-supportable housing;
- (2) a laser scanning engine, disposed within said hand supportable housing, that selectively operates in one of first and second scan modes,

wherein in said first scan mode, the laser scanning engine projects an omni-directional scan pattern through said light transmission aperture, repeatedly detects and decodes bar code symbols on objects passing through said omni-directional scan pattern, and produces a symbol
